

## ***KELAWAR GO BATTY OVER "SWITCH HIT MADNESS"***

***Kelawar's easy victory in the first game of the SSCCV 20/20 Inter-Club Competition was against a tame ICC side was marred by the disgraceful antics of one its opening batsman.***

### ***LUNACY!***

***Onlookers gasped as the batsman, who asked to remain anonymous, gave up his wicket with what one onlooker described as "a reverse sweep shit hit".***

***A friend of the culprit said: "In all my days of watching cricket I have never seen anything like it."***

***Team mates of the batman looked on aghast as a short long hop of a delivery ricocheted off a glove into the grateful hands of first slip.***

***"Insanity", was the reaction of most onlookers.***

### ***SENSATION!***

***This newspaper has learned that the batsman has past convictions of trying to impersonate a cricketer.***

***"Its the latest in the long line of shockers," said a friend.***

***Fortunately for Kelawar, the incident did not prevent the classy side from notching up an easy win. Craig ran through the oppo's batting like a Aussie chasing a Brit at the Olympics and returned figures of 5 wickets for just 16 runs off 4 overs. Only Sudesh and Mohsin threatened the scoreboard with some lusty blows in the opening overs.***

***Webby and the anonymous opening batsman put on a solid opening partnership with 39 and 29 runs respectively before Craig and the Boy George secured the winning runs with 4.1 overs remaining.***

***But spectators went away raging.***

***One said: "I arrived late, missed the first 8 overs due to no fault of my own and then had to witness that reverse sweep shit hit. I am just glad there weren't children watching."***

***Final Scores: ICC 108 all out, Kelawar at least one more than that for the loss of 2 wickets.***
